Who We Are

Azentio is a global provider of cutting-edge BFSI software products and next-generation ERP systems across Asia Pacific, Middle East, Africa and India to conventional and Islamic banks, financial institutions, insurance companies, agents, brokers, and small and mid-sized businesses. Azentio Software Private Limited is wholly owned by funds advised by Apax.

Our Flagship Platforms

- Azentio **ONE**Banking: Enables financial institutions to continually redefine themselves by offering a wide range of financial products across multiple digital channels with reduced time to market
- Azentio **ONE**CapitalMarkets: Helps capital market firms embrace advanced technologies with focus on digitizing the customer and employee experience with predictive analytics for better decision making
- Azentio **ONE**Insurance: Allows to launch unique and bold new products quickly, sell aggressively, and engage digitally by transforming into a customer-obsessed organization, while remaining efficient, compliant, and secure
- Azentio **ONE**ERP: Provides industry cloud solutions with API-integrated industry ecosystems engineered as per best-in-class standards for financial and operational process management
